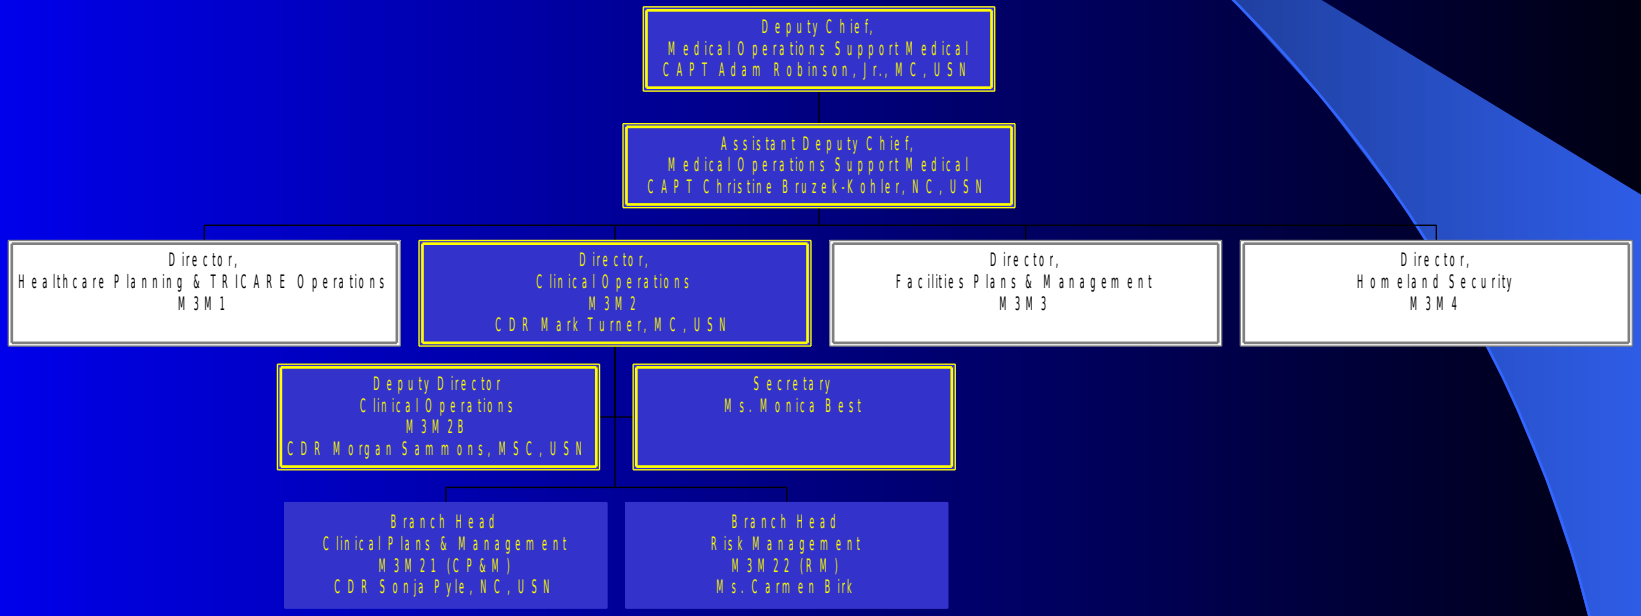
Medical Operations Support (M3M)



PROGRAM OWNERSHIP

- Navy line “owns” health promotion
- Naval Medicine has a consultative, educational and developmental role in supporting the navy program
- BUMED establishes policy, provides funding and support
- NEHC serves as the program managers
- MTF health promotion run local programs

Health Promotion Advisory Board

- BUMED Health Promotion (M3M2)
- NEHC (M11)
- Reserve Health Promotion (M10)
- Semper Fit
- HQ Marine Corps/Health Services
- MWR (PERS 651)
- MTFs (Large, Medium, Small/Clinics)
- Fleet (M3F)
- Center for Personal Development
- Dental (M09BDC)

Funding/Budgets

- $7.2 million in Defense Health Program funding
- Budget call sent out in July with budgets due in August
- Health Promotion Advisory Board recommendations
- Approved by M3M and Resources
- Letters/e-mail forwarded to HP Coordinators
- Outcome measures forwarded back to NEHC

Fiscal Accountability

- Cost Accounting Codes (CACs)
  - 4HP1 Health Promotion Program Support
  - 4HP2 Health Promotion Educational Activities
  - 4HP3 Health Promotion Put Prevention Into Practice

Appropriate Use of Funds

- What ***CAN NOT*** be supported:
  - Aerobics instructors
  - Gym equipment
  - MTF PRT program (PERS 6)
  - Organizational clothing (Command funded)
  - Disease management/population health initiatives
  - Devices, equipment or gadgets for sole purpose of “give aways”
    - “Give aways” must contain an educational message

Workload

- BUMEDINST 6110.13 Naval Medical Department Health Promotion Program (6JAN92)
  - Directs use of EBBC MEPRS code
  - Can not establish clinics under the “E” code
- Community Health Clinic
  - BHF
